FEEDING DIRECTIONS

Feed at the rate of 0.25 to 1.5 pounds per 100 pounds of body weight. Do not feed this feed on a free-choice basis. Provide plenty of good quality pasture and/or hay. Provide clean, fresh water at all times. Gradually increase or decrease the feeding rate to obtain desired body condition or body weight.
Warning: Store this product in a cool dry area protected from insects and rodents. Do not feed moldy or insect/rodent infested feed as it may cause illness or death.
Warning: This product contains added copper. Do not feed to sheep or other copper sensitive species.

SEMINOLE QUALITY GUARANTEE

If you're not satisfied, we're not satisfied. Should the quality of this product not meet your expectations, return it within 30 days with proof of purchase to your Seminole Feed® dealer for a complete refund or replacement.
