Proper growth and development begin with superior nutrition and super-premium, low-starch, textured Seminole Wellness Grow Right® delivers.

Fortified with quality proteins, vitamins, chelated trace minerals, and antioxidants, Seminole Wellness Grow Right® is designed for foals, growing horses, gestating & lactating mares, and performance horses.

The high volume of digestible fibers in Seminole Wellness Grow Right® helps to reduce starch levels which research has shown to diminish the extent of developmental orthopedic disorders. Seminole Wellness Grow Right® consistently delivers superior nutrition day-after-day, helping your next champion reach their full potential.

As a Creep Feed: For individual feeding recommendations for creep feeding foals, please contact our nutritionist at 800-683-1881 Ext. 131 or email Nutritionist@SeminoleFeed.com

- Wellness Grow Right® weighs 1.6 pounds per dry US Quart.
- Provide forages and/or pasture at the rate of 1.5 - 2 Lbs. per 100 Lbs. of Body Weight (BW).
- Free choice horse mineral such as Seminole Grass Balancer Mineral should be provided at all times.
- Clean fresh water must be provided at all times.
- Do not offer feed on a free choice basis.

- Increases in feeding rates should not exceed 1 pound per day.
- Make all feed changes gradually over a 7-10 day period.
- Postpone feeding a horse that has been exercised or is exhibiting pain, fever or diarrhea.
- If feeding below the recommended amount supplement with Seminole Equalizer™ or contact our nutritionist for further feeding instructions at 800-683-1881 Ext. 131 or e-mail Nutritionist@SeminoleFeed.com.

Seminole Wellness®

Fixed Formula -

Guarantees you consistent formulas, ingredients & quality products bag after bag

Low NSC -

Reduced concentrations of cereal grains, to enable feeding of horses with carbohydrate sensitivities

Ultra Bloom® -

Stabilized rice bran which provides additional calories in a highly palatable, easy-to-chew pellet

Chelates -

Increase bioavailability of minerals to support metabolic functions

Antioxidants -

Zinc, Manganese, Copper, and Selenium yeast coupled with Vitamin E to protect cells against the effects of free radicals

Corn Free -

Minimizes the risks associated with high starch intake

Vitamin & Mineral Fortified -

Meets NRC recommended levels of vitamins & minerals when fed as directed

High Digestible Proteins -

Supplying essential amino acids, including Lysine, Methionine & Threonine, from alfalfa and soybean meal, which create quality protein for tissue growth & repair

High Digestible Energy -

Soy, rice bran & flaxseed provide a rich source of fat for energy, reducing the reliance on starch & sugar

High Digestible Fibers -

Calories sourced from high digestible fibers like soy hulls, alfalfa, and beet pulp, are ideal for ulcer-prone or carb sensitive horses

Notice - This product contains additives that may be restricted by some equine organizations. It is the sole responsibility of the consumer (owners, trainers, and competitors) to be aware that these may be prohibited in competition at elite levels.

Seminole Quality Guarantee - Seminole Feed® strives to provide a world class product for your equine partner, adhering to strict quality control and safe-feed production standards. At Seminole Feed®, we manufacture equine feeds in an ionophore-free mill, to ensure the nutritional health of your horse. If you're not satisfied, we're not satisfied. Should the quality of this product not meet your expectations, return it within 30 days with proof of purchase to your Authorized Seminole Feed® Dealer for a complete refund or replacement.
