

# WELLNESS HERBAL BLEND™

Herbal Formula

**12** For Growing, Breeding & Mature Performance Horses  
PROTEIN

**8** Increased Fat for Controlled Stamina  
FAT

**19** Low NSC Super Fiber Sources  
HDF

Enhanced with nine all-natural herbs, providing an irresistible aroma and exquisite flavor, Seminole Wellness Herbal Blend™ is a super-premium, low-starch, high-fat, textured feed.

Delivering consistent, superior nutrition to meet the demands of the equine athlete, and scientifically formulated for active horses and ponies, Seminole Wellness Herbal Blend™ is designed with cooler energy sources to reduce excitability and helps keep your horse focused.

High digestible fibers and fat from multiple sources, including Seminole Ultra Bloom®, delivers maximum digestibility and increased endurance. Seminole Wellness Herbal Blend™ is an excellent choice for finicky eaters or carb-sensitive horses.

<b>Non Breeding</b>	1 - 2	1.5 - 3	2 - 4	2.5 - 5	3 - 6	3.5 - 7	4 - 7.5

- Wellness Herbal Blend™ weighs 1.4 pounds per dry US Quart.
- Provide forages and/or pasture at the rate of 1.5 - 2 Lbs. per 100 Lbs. of Body Weight (BW).
- Free choice horse mineral such as Seminole Grass Balancer Mineral should be provided at all times.
- Clean fresh water must be provided at all times.
- Do not offer feed on a free choice basis.

- Increases in feeding rates should not exceed 1 pound per day.
- Make all feed changes gradually over a 7-10 day period.
- Postpone feeding a horse that has been exercised or is exhibiting pain, fever or diarrhea.
- If feeding below the recommended amount supplement with Seminole Equalizer™ or contact our nutritionist for further feeding instructions at 800-683-1881 Ext. 131 or e-mail Nutritionist@SeminoleFeed.com.

### Seminole Wellness®

#### Fixed Formula -

Guarantees you consistent formulas, ingredients & quality products bag after bag

#### Low NSC -

Reduced concentrations of cereal grains, to enable feeding of horses with carbohydrate sensitivities

#### Ultra Bloom® -

Stabilized rice bran which provides additional calories in a highly palatable, easy-to-chew pellet

#### Chelates -

Increase bioavailability of minerals to support metabolic functions

#### Antioxidants -

Zinc, Manganese, Copper, and Selenium yeast coupled with Vitamin E to protect cells against the effects of free radicals

#### Corn Free -

Minimizes the risks associated with high starch intake

#### Vitamin & Mineral Fortified -

Meets NRC recommended levels of vitamins & minerals when fed as directed

#### High Digestible Proteins -

Supplying essential amino acids, including Lysine, Methionine & Threonine, from alfalfa and soybean meal, which create quality protein for tissue growth & repair

#### High Digestible Energy -

Soy, rice bran & flaxseed provide a rich source of fat for energy, reducing the reliance on starch & sugar

#### High Digestible Fibers -

Calories sourced from high digestible fibers like soy hulls, alfalfa, and beet pulp, are ideal for ulcer-prone or carb sensitive horses

**Notice** - This product contains additives that may be restricted by some equine organizations. It is the sole responsibility of the consumer (owners, trainers, and competitors) to be aware that these may be prohibited in competition at elite levels.

**Seminole Quality Guarantee** - Seminole Feed® strives to provide a world class product for your equine partner, adhering to strict quality control and safe-feed production standards. At Seminole Feed®, we manufacture equine feeds in an ionophore-free mill, to ensure the nutritional health of your horse. If you're not satisfied, we're not satisfied. Should the quality of this product not meet your expectations, return it within 30 days with proof of purchase to your Authorized Seminole Feed® Dealer for a complete refund or replacement.
